

ADIKT

SPECIFICATION

A cost effective moving magnet transcription cartridge

KEY FEATURES INCLUDE

- Entry level moving magnet cartridge
- Rigid body
- Finely detailed and dynamic sound
- Replaceable stylus
- Suitable for wide range of tonearms
- Designed for quick and simple installation

The Adikt is Linn's newest moving magnet cartridge giving the audiophile a cost effective entry into the world of faithful and accurate vinyl reproduction. Our unrivalled pedigree in the area of vinyl transcription has resulted in a world-class product capable of a smooth and extended frequency response.

The Adikt is a cutting edge product both in terms of design and precision engineering. It is easily mounted on a wide range of tonearms and forms the front end of any quality vinyl based system.
