

Next-generation
Klimax DSM
The Ultimate Streamer

INTERNAL USE ONLY

Next generation Klimax DSM is the best yet, applying decades of audio innovation and digital technology learnings. With its extreme engineering and breathtaking sound, Klimax DSM is the closest you'll get to streaming audio perfection.

Designed from the ground up, Klimax DSM is housed in an exquisite precision-machined new enclosure, providing vital acoustic isolation along with visual and tactile luxury. On the inside, the beating heart is the ground-breaking home-grown Linn Organik DAC, enabling our most natural sound ever.

Setting a new benchmark in the industry, the ultimate digital streaming source is a must-have for the most discerning hi-fi enthusiasts.
